

TOUCH THE FUTURE

BXT3

HAND TOOL FOR PLASTIC STRAPPING

INNOVATIVE

INTELLIGENT

INTUITIVE

BXT3

LEADING IN TECHNOLOGY AND DESIGN INCREASED PRODUCTIVITY & PERFORMANCE

INNOVATIVE

FOR OUTSTANDING
RELIABILITY AND
TOP ERGONOMICS

- Industry proven high quality tool
- Protective design
- Lightweight and perfectly balanced

INTUITIVE

FOR EASY AND
FAST OPERATION

- Variable tension speed controlled by finger pressure
- Digital user interface with touch pad adjustment
- Favorite strapping function

INTELLIGENT

FOR EXCELLENT AND
CONSISTENT
PERFORMANCE

- Real time indication of applied tension force
- E-controlled strapping process
- Strap alignment indication

TOOL TYPES / STRAP DIMENSIONS

BXT3-13 for light duty application / 9–13 mm

BXT3-16 for universal application / 13–16 mm

BXT3-19 for heavy duty application / 16–19 mm
